

Be our Eco Office Ambassador!

Going green is more than just reducing environmental impact. You can play a part in saving the ecosphere seamlessly with eco choices within your reach.

Check out these simple eco activities and be recognised as our eco-friendly ambassador in your office.

1. Log in to [The Ecological Workplace](#)
2. Explore the various eco activities
3. Answer these simple questions and send to newsletter@sgp.fujixerox.com

1. What are the 3 optimisation strategies in Fuji Xerox Eco Solution?

2. Name one eco activity in each of the optimisation strategy.

3. Name 3 benefits of the Eco Office Solution.

You get a chance to win an eco-friendly bear with all correct answers.*

*Each participant can only send in one entry.

40 eco-friendly bears will be given out to first 40 correct entries.

*Contest ends on 30 Nov 2009

We can't change the past, but everyone can play a part in making the future environment a better place. Together we can achieve long-term sustainable future!
